

# TAPAS MENU

Welcome to LaKasia Tapas @ Cocktails

Tapas in Spain is all about sharing your food with friends

As a guide we'd suggest ordering 4-6 dishes to share between two people.

You can always order more later, its all part of the fun of tapas.

So you can enjoy our food at its best, we serve dishes from the kitchen as and when they are ready.

This means your food will arrive in no particular order.

LaKASIA experience is more than just food and drink!

Its a social activity meant to be enjoyed in great company! Make it unforgettable:)

Tapas? Spanish: [*'tapa*] are appetisers or snacks in Spanish cuisine. They can be combined to make a full meal, and are served cold or hot.
